Joanne Eckton

Joanne Eckton is a highly respected business consultant and professional speaker who has helped business owners resolve performance and productivity gaps to improve their profitability.

She is the founder and CEO of Nashville Success Summit, providing small business owners with team building and leadership training along with peer-to-peer advisory groups.

Joanne honed her skills in Fortune 500 companies such as Verizon and IBM, where she led large projects with team members from all around the world, steering them through the process from project initiation through completion. With over 20 years of experience in the corporate environment, she brings her knowledge and skills to the small to mid-sized business owners, providing them with simple strategies to get results faster and more efficiently.
